## Christmas Wishes From Ebenezer Gardens

It took a miracle to put the stars in place,  
It took a miracle to hang the world in space,  
The Bible tells us of His power and wisdom all way through  
And every little bird and flower are testimonies too.

At the end of a year in which expenditure increased at an alarming rate we can honestly say that it was a miracle that we were able to continue providing for the children of Ebenezer Gardens.

We give all thanks and praise to God for enabling us to carry on; our sincere thanks to every one who came forward to support us in various ways.

Please continue to pray that we will learn to constantly depend on the Lord to supply our needs over the coming months.

### **Special Prayer Request:**

- Ruwani – our oldest girl sits for her O/L examination from 8<sup>th</sup> – 20<sup>th</sup> December. Please pray that the Lord will strengthen her physically, spiritually, intellectually and emotionally and enable her to pass this examination well.
- Pray for the other girls – Dilshani, Sajini, Chrishanthi, Banu, and Christa – that the Lord will be close to them and keep them in good health; pray that the Lord will grant them wisdom to do well in their studies.

- Pray that the Lord will bring into our ministry a dedicated worker. Rebecca left us at the end of November – her marriage takes place early next year.

Thank you once again for your prayers and support.

May God bless you all.
