June 2017

We reached another milestone in our ministry - its our 20th anniversary. We commemorated the occasion with a service of thanksgiving.

Jenifer Gabriel led the congregation in song with Shanthly Fernando at the keyboard; opening prayer and Bible reading by Rev. Dixon and Pastor Manju (Dilshani's husband).

The younger children sang "Walking in the light of the Lord" after which Sajini lit 20 candles on the anniversary cake. Ruwani and Dilshani shared memories of their life at Ebenezer Gardens while Christa sang "Amazing Grace". A short humorous presentation depicting life at Ebenezer Gardens was followed by a very inspiring message by Pastor Benji Devadason. The prayer of dedication and benediction by Pastor Brian Blacker concluded the service.

A time of fellowship and refreshments followed. Our sincere thanks to all who attended the service and to those who sent us messages, donated the refreshments and upheld us in prayer.

We are so grateful to God for His faithfulness over the past 20 years.

Please continue to pray for us as we now look forward to the coming years. Government rules keep changing, the challenges faced by children are different to what they were. As age catches up I now have to make serious decisions as to who takes over from me and what changes we may need to make to continue ministering more effectively to children who need our care. One family has expressed interest in carrying on the ministry - please uphold them also in prayer as they seek God's will.

The first "Grandchild" of Ebenezer Gardens is due in December, Please pray for Sajini and Chaturanga as they prepare for parenthood.

Thank you once again for your faithful support over the past 20 years.

God bless you all

Shanthini
